

Parsha Reading Schedule

2022-2023

These are the traditional Sabbath readings, including holidays that fall on the Sabbath.

The Torah is broken up into weekly readings and combined with the Haftarah portion, a reading from the prophets or other books. The selections from the Brit Chadashah (New Testament) show the connection between Jesus and the people and events in the Torah. Readings are occasionally combined. These are indicated where two readings are assigned to one date.
